

Process for funding community programs through Snoqualmie Valley Kiwanis

Board determines if funds are available for the year. If funds available the board will notify the membership of the amount available.

Those organizations interested in seeking funding from Kiwanis will need to complete a Kiwanis application form and identify which of the Kiwanis selection criteria they meet.

Funding applications will be reviewed quarterly at the Kiwanis board meeting- Dec, March, June and September. The Board will make a decision and notify the Kiwanis advocate.

Requesters will be notified by their Kiwanis advocate if funding is awarded.

Criteria to use in selecting programs to receive Kiwanis funding

- In line with Kiwanis' mission to serve children and families
- Local organization serving local families
- Organization has a Kiwanis advocate
- Relates directly to activities or projects that Kiwanis is already involved in - eg. giving tree; baby corner; key club
- Organization has assisted Kiwanis with one of our own projects - ie giving tree; key club,
- Serves an underserved population
- There is a documented potential impact of the donation- e.g. documentation may include number of kids served, number of items for kids purchased, number of families served, etc.
